Doble Motorcycles, the UK's number one Honda dealer, have come up with yet another fantastic offer! This 2010 Fireblade is available with five years interest free credit. Furthermore, customers will have £750 to spend in store at the time of purchase. Why not treat yourself to a set of matching race leathers or a top of the range crash helmet and gloves? Alternatively you may choose to use this voucher on some accessories such as an alarm, tail tidy, crash bungs or even an aftermarket exhaust. Doble's deal allows you to tailor this bike to your own specification and the 0% finance provides an opportunity to make this even more affordable.

For more information call the sales team on the number below and let them know your requirements. Similar offers are available on other selected new bikes in the Honda range, so if you're in the market for something else then give Doble's a call and see what deal they can do for you.
