

07 Motorcycle Options

Assembly & repair

Handgrip Cement

087120001 | 29 g | Pack qty: 6 | RRP £4.99

- required when installing all PVC-type handgrips INCLUDING THE HEATED HANDLEBAR GRIPS.
- ideal for use on rubber handgrips, footpeg covers, kickstart and shift pedal rubbers.

Weatherstrip Cement

087120002 | 142 g | Pack qty: 6 | RRP £4.99

- permanent waterproof cement which remains elastic after drying.
- adheres to rubber, plastic and metal.
- glues in loose O-rings during reassembly.
- excellent for vinyl and leather repairs.

Hondalock 3

087130003 | 10 cc | Pack qty: 6 | RRP £2.50

- high strength green-colored treadlock for semi-permanent and/or high torque fasteners.
- helps retain gears, bearings and pulleys to their shafts.

Hondabond 4

087170004 | 100 g | Pack qty: 6 | RRP £4.99

- semi drying liquid gasket.
- seals irregular surfaces with a tough, elastic film.
- solvent-based for easy removal; resists gasoline.

Hondabond HT

087180001 | 100 g | Pack qty: 1 | RRP £12.50

- high-temperature silicone liquid gasket
- unique formula is non-acidic and won't corrode aluminum like other silicone gasket products will.
- for use in areas not requiring solid gaskets.

Silicone Semi Liquid Packing

08C70K0334M | 12 g | Pack qty: 6 | RRP £35.00

- sealing agent for crankcases, mission cases, oil pump cases
- resistant to oil and heat
- does not contain solvents

Liquid Packing L/T 5999

08C70X0331S | 100g | Pack qty: 1 | RRP £50.00

- sealing agent for joint part of oil pans, head covers, transmission case, etc.

Moly 60 Paste

087340001 | 85 g | Pack qty: 1 | RRP £10.00

- new 60% moly grease formula
- contents are solid and will not separate at room temperature
- recommended for gears, bearings and other high-pressure/high-temperature applications
- use on Pro-Link linkage where moly 45 is recommended

Dielectric Grease

087980001 | 142 g | Pack qty: 6 | RRP £7.50

- non-conducting waterproofing compound
- insulates electrical connectors and adheres to most surfaces, sealing out moisture, dirt and corrosion

Vital fluids

DOT 4 Brake Fluid

082030004 | 355 ml | Pack qty: 12 | RRP £4.99

- high temperature formula for heavy duty or racing applications.
- use in all hydraulic brake and clutch systems requiring DOT 3 or DOT 4.

Shaft Drive Oil

082080080 | 237 ml | Pack qty: 12 | RRP £2.50

- single application hypoid gear oils SAE80W90.
- approved for use in Gold Wings and other shaft-driven motorcycles and ATV's.

Fuel Stabilizer

087320001E | 237 ml | Pack qty: 12 | RRP £7.50

- genuine Sta-Bil® formula eliminates the need to drain fuel for engines stored longer than 60 days.
- prevents rust, corrosion and fuel deposits.
- in line with EU regulations regarding labeling.

Suspension Fluid SS-7 5W

082080005 | 473 ml | Pack qty: 12 | RRP £7.50

- genuine SHOWA fluid designed for use with cartridge-type and standard forks, as well rebuildable rear shocks, including pro-Link systems.
- replaces ATF recommendations in owners' manual.

Suspension Fluid SS-8 10W

082080010 | 473 ml | Pack qty: 12 | RRP £7.50

- genuine SHOWA fluid designed for use with cartridge-type and standard forks.
- recommended for firmer handling or heavier loads.
- bright-red color.

HP Fork Oil 5W

08C35A071M | 947 ml | Pack qty: 12 | RRP £10.00

- friction-modified formula specifically engineered for the latest in suspension technology from SHOWA and KAYABA.
- minimizes stiction and cavitation, providing optimum performance for all Honda upside-down fork suspension systems.

HP Coolant (Premix)

08C50C321S01 | 946 ml | Pack qty: 12 | RRP £4.99

- exclusive formula developed by R&D.
- specifically designed for use in aluminum engines.
- uses high-tech organic corrosion inhibitors instead of more commonly used silicate corrosion inhibitors.

Spray Cleaner & Polish

08C25P011ME | 141 g | Pack qty: 12 | RRP £8.15

- exclusive Honda formula, superior performance at an economical price.
- complete motorcycle detailer in a can.
- cleans road grime, grease and bugs without water.
- polishes paint, chrome, glass and clear plastic.
- protects vinyl, plastic and rubber.
- blocks UV rays to reduce fading and cracking.
- repels water and makes it bead up like on a wax finish.
- anti-static properties reduce dust buildup.
- in line with EU regulations regarding labeling.

Honda Gloss Liquid Polish & Sealant

08C25A081S | 230 g | Pack qty: 12 | RRP £7.50

- cleans, polishes, seals and protects in one easy application.
- can be applied in any weather, including direct sunlight and rain.
- safe for all painted surfaces, including clear coats and decals.
- excellent for windscreens, faceshields, shiny plastic, chrome, aluminum and other non-porous surfaces.
- forms a protective shield against UV rays, acid rain and pollutants.
- long lasting shine protects for several months.

Cleaners & polishes

Honda Brite (Spray)

087320020B | 591 ml | Pack qty: 6 | RRP £10.00

Honda Brite Refill

087320032 | 945 ml | Pack qty: 6 | RRP £10.00

- total cycle cleaner, cleans an entire motorcycle in just minutes.
- removes dirt, oil, road grime and insects.
- cleans paint, chrome, alloy, rubber.
- contains powerful corrosion-inhibitors.
- easy to spray and hose off.

PRO HONDA Metal Polish

08C20A021S | 57 g | Pack qty: 12 | RRP £4.99

- restores original luster to aluminum, chrome and stainless steel surfaces.
- restores original color and shine to most painted surfaces. (consult applications on label)
- restores clarity lightly scratched windscreens and faceshields.
- restores shine to lightly scuffed or discolored plastic lenses and bodywork.
- lowest abrasion-level of popular brands.

Service & maintenance

Foam Filter Oil

08207NTL002 | 473 ml | Pack qty: 12 | RRP £10.00

- for all foam type air filters.
- low-viscosity solvent additives permit easy application and thorough penetration.
- protects against dirt, dust and sand.
- won't drip off or wick to the bottom of the filter.

Silicone Spray

082090001 | 357 g | Pack qty: 12 | RRP £5.00

- leaves an anti-friction coating that eliminates sticking and squeaking and lubricates and protects plastic, rubber and vinyl.
- waterproofs fabrics and leather too.

Contact/Brake Cleaner

087320008E | 514 g | Pack qty: 12 | RRP £7.50

- removes grease, oil and other contaminants from electrical components and brake systems.
- won't harm most plastic, rubber or painted surfaces.
- dries quickly, leaves no residue.
- In line with EU regulations regarding labeling.

Multi-Purpose Lube

087320003 | 329 g | Pack qty: 12 | RRP £2.50

- penetrates and helps loosen rusted fasteners.
- leaves a thin lubricating film that protects against wear and corrosion.

White Lithium Grease

087320005 | 357 g | Pack qty: 12 | RRP £4.99

- heavy duty general purpose lubricant.
- sets-up quickly, leaving a thick coating.
- ideal for carburetor and throttle linkages, sidestands and lever pivots.

Pad Grease

08C35B0134M | 100 g | Pack qty: 1 | RRP £15.00

- special grease offers superior resistance and lubrication at high temps.
- prevents squealing of disc brakes and burning of bolts.

Oils

PRO HONDA GN4 10W40

08C35A141L01 | 3.785 L | Pack qty: 4 | RRP £15.00

08C35A141M01 | 946 ml | Pack qty: 12 | RRP £7.50

PRO HONDA GN4 20W50

08C35A251L01 | 3.785 L | Pack qty: 4 | RRP £15.00

08C35A251M01 | 946 ml | Pack qty: 12 | RRP £7.50

- mineral 4-stroke engine oil
- a selection of highest-quality base stocks
- created in an additive package specifically for the unique requirements of motorcycle engines. GN4 engine oils give better shear-resistance viscosity stability and cleanliness to meet the requirements and stresses of a new era of engine technology.

PRO HONDA HP4 10W40

08C35A14W0M | 946 ml | Pack qty: 12 | RRP £7.50

PRO HONDA HP4 20W50

08C35A25W0M | 946 ml | Pack qty: 12 | RRP £7.50

- synthetic 4-stroke engine oil without molybdenum
- HP4's extraordinary additive package now has better anti-foaming qualities, higher viscosity index for stability over a broader temperature range and even greater shear stability than HP4M oil. Naturally, HP4 blends the heat stability and shear resistance of synthetic oil with mineral oil's natural lubricity for the highest quality 4-stroke engine oil you can buy. Pro Honda's new HP4 is approved for use in all Honda motorcycle and ATV's.

PRO HONDA HP4M 10W40

08C35A141M02 | 946 ml | Pack qty: 12 | RRP £7.50

PRO HONDA HP4M 20W50

08C35A251M02 | 946 ml | Pack qty: 12 | RRP £7.50

- synthetic 4-stroke engine oil
- a synthetic/mineral oil blend that gets the best qualities of both, HP4M also features a comprehensive additive package and a friction-reducing molybdenum compound for smoother shifting and maximum fuel economy. HP4M, the Pro Honda oil is good enough to win many of races and championships throughout the world.

PRO HONDA HP Trans Oil SAE 80W/85W

08C35A851M01 | 946 ml | Pack qty: 12 | RRP £4.99

- mineral 2-stroke engine transmission oil
- high performance racing transmission oil, especially formulated for all Honda CR and Fourtrax 25R models, HP Trans Oils offers ultra high film strength and shear stability prevents foaming and premature oil breakdown.
- special anti-friction additives allow smoother shifting, while minimizing drag and power loss. Anti-shear additives increase clutch life, reducing clutch slippage.

PRO HONDA GN2 Injector/Premix Oil (20:1)

08C35AG21M01 | 946 ml | Pack qty: 12 | RRP £4.99

- 2-stroke injector/premix oil
- Pro Honda GN2 is the only oil that has been tested and approved by Honda R&D for use in all liquid- and air-cooled 2-stroke Honda motorcycles, scooters and ATV's. It's unique clean burning formula reduces exhaust smoke, carbon build-up and varnish deposits. It helps preventing spark plug fouling, piston ring sticking and exhaust plugging. GN2's superior lubrication extends service life for piston rings and bearings and helps protect against rust and corrosion.

PRO HONDA HP2 Racing Oil (32:1)

08C35AH21S01 | 473 ml | Pack qty: 12 | RRP £4.99

- synthetic 2-stroke oil
- premium synthetic base stocks with high film-strength give maximum wear protection, while allowing a 32:1 mixture ratio. The extremely clean burning formula minimizes carbon deposits, extends spark plug life and reduces maintenance on Honda Power Port™ and ATAC™ systems. Special additives minimize friction for cooler running, maximum horsepower and quicker throttle response.

www.honda-access.com

Full information

about the wide range of Genuine Honda Accessories and Parts is available for viewing over the Internet.

This on-line facility provides a convenient way for you to see the variety of accessories available for your machine, at a time of your choosing.

All the information from this brochure is presented in a simple and informative style enabling you to choose exactly what you want to enhance your machine. And to ensure you have the latest information about all the Genuine Honda Accessories and Parts available, we regularly update the site with the latest product news.

Out on the road you can face driving wind and torrential rain – with everything in-between. At Honda Access we know that being comfortable can make the difference between a pleasurable ride out and a painful ride home.

Even in the most demanding conditions, the Honda heated grips will keep your fingers from going numb, allowing you to keep full control over your bike. Its 5 variable heat levels offer the comfort you require, while the compact handlebar controller can be easily manipulated even with your gloves on. Your ride will no longer be dictated by the elements.

grip heater kit

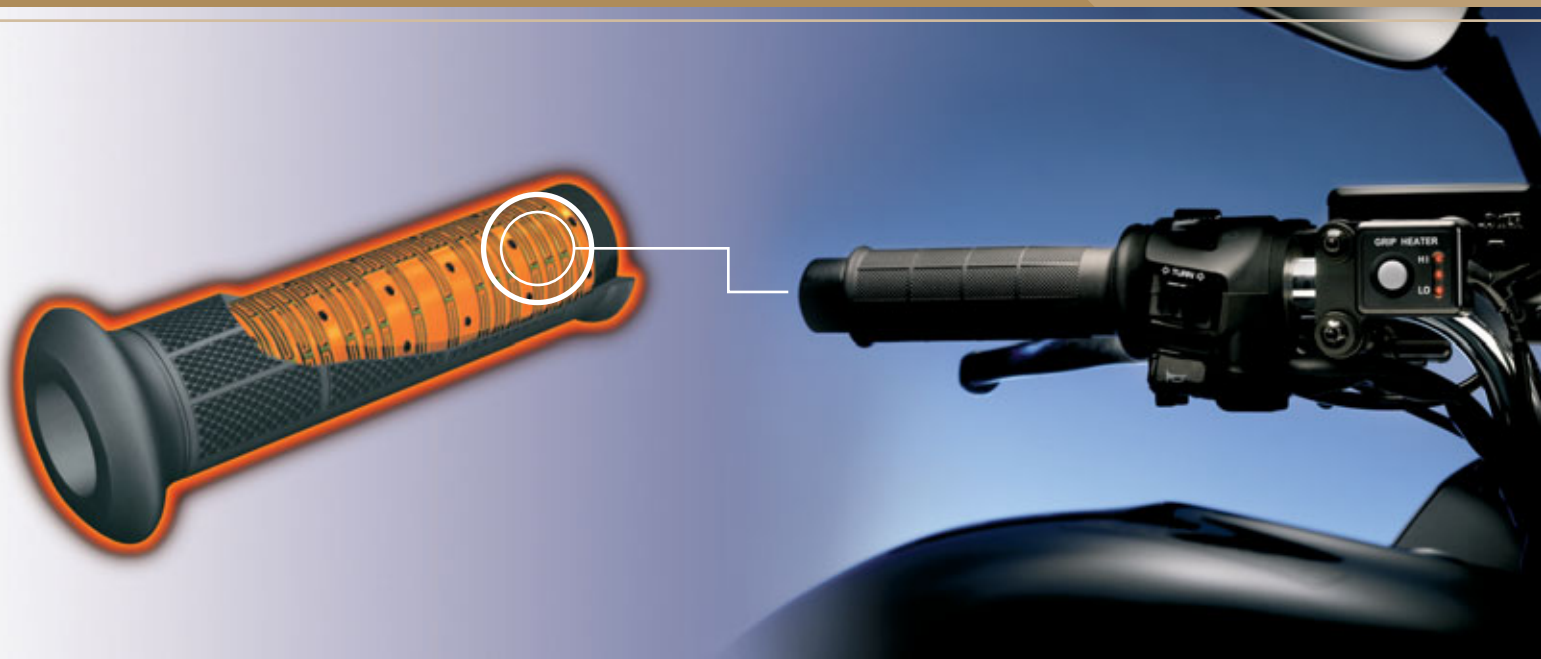

- stepless heating adjustment
- integrated circuit to protect the battery from draining

Honda Bond A

- I 08712 0001 I
- Special glue for heated grips

Honda Heated Grip Kits

Heat at your fingertips

Easily installed

Honda heated grips can be fitted quickly and easily to almost all Honda motorcycles and scooters to provide warmth in the city or on the open road.

Enhanced energy efficiency and heat generation

The Honda heated grips' innovative design limits the heat loss to a minimum. The stainless steel heating elements ensure optimum heat generation allowing you to enjoy your ride.

Improved "wraparound" connection

The new design with improved "wraparound" connection between the heating elements and the wiring ensures reliability. The heated grips can easily stand heavy-duty use.

New improved controller

The new improved controller can be easily operated, even when you are wearing gloves. The controller also includes a handy and highly visible heat level indicator, so you can check the status of the heated grips at a glance.

Battery protection

The new LED indicator with voltage monitoring function and battery protection mode prevents the heated grips from draining the battery. The battery protection mode is active when the LED lights blink simultaneously.

Heat whenever, wherever

Temperatures can change quickly. The 5 stage sequential control, conveniently mounted on the handle bars, allows you to regulate the temperature for every ride. Regardless of the conditions, a winter or a chilly summer morning ride, you can always enjoy the perfect temperature.

Comfort on the move

- 5 step adjustable heating levels
- New LED indicator with voltage monitoring function to prevent the heated grips from draining the battery
- New improved controller, which can be easily operated with gloves
- Improved "wraparound" connection between heating elements and wiring
- Improved energy efficiency and heat generation

As concerns about motorcycle theft continue to grow, Honda is committed to offering you more and more advanced solutions that help keep your investment under close and continuous watch. Proof: our newly developed innovative Honda AVERTO System featuring the very latest anti-theft technology.

AVERTO alarm kit
 Fitting time included in price | RRP £300.00

- compact alarm unit with siren, with backup battery and movement detector
- low consumption sleep mode to prevent the battery from drain
- easy and reliable installation by means of connectors and pre-wiring (Included)
- unscannable random-encrypted remote control radio signal

Concerns about motorcycle theft continue to grow and Honda is committed to offering you the best in security solutions. Get extra peace of mind by using this anti-theft U-lock. The convenient to use Honda U-lock features a tamper-resistant barrel key and is designed to fit under the seat or on the rear carrier, whichever is appropriate, when not in use.

U-lock 105/245
 08M53 MBB 800 | Fitting Time 0 hrs | RRP £70.00

- tamper-resistant barrel key U-lock
- can easily be carried in the receptacle under the seat

At Honda we know that taking care of your starter battery is essential to ensure it stays fully charged during periods of non-use. The Honda OptiMate 3 Battery Optimiser is the answer. It's specially designed for modern batteries from 2 to 32 Amp-hours capacity with the ability to diagnose, charge, check and maintain your battery automatically for months. All major battery manufacturers recommend maintaining starter batteries.

Included with the Honda OptiMate 3 Battery Optimiser are two interchangeable connection harnesses, one with clamps for bench charging, and the other for permanent connection to the motorcycle's battery to allow easy reconnection of charger when necessary.

Honda Battery Charger / Optimiser

Honda Tank Pad Selection

Honda AccuMate | 08M51 KAZ 800W
