- tamper-resistant barrel key U-lock
- fits in top box carrier or under the seat

| 08M53 KAZ 800 |

While efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or, in some isolated cases, the provision of a particular feature. Customers are always advised to discuss specification details with the supplying dealer especially if the selection is dependent upon one of the features advertised.
