| 08M53 KAZ 800 |

Maintenance

Rear paddock stand

- tilting tubular steel stand
- facilitates cleaning and rear wheel maintenance
- lifts the motorcycle by the end of its swingarm

| 08M50 MW0 800 |

While efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or, in some isolated cases, the provision of a particular feature. Customers are always advised to discuss specification details with the supplying dealer especially if the selection is dependent upon one of the features advertised.
