

## DN-01

**Sports tourer of the future**, a timeless design doesn't just build on past successes - it blazes new trails into the future. The DN-01 is Honda's long, low and luxurious automatic sports tourer. A cool urban warrior that's both agile and completely at ease with its surroundings. The DN-01 combines a powerful 680cc V-Twin engine, Monoshock Pro-Arm rear suspension, Combined-ABS braking ease and the unique HFT stepless automatic transmission for seamless, comfortable power and control. Unrivalled ease of operation and laid-back luxury integrated into a unique design concept. World-changing, world-enhancing; a motorcycle with something for everyone.

## VT1300CX Fury

The **VT1300CX Fury** is a true original in the 'chopper' genre – a radical concept offered in a unique package that's accessible to nearly every rider. The VT1300CX Fury is visually daring and great fun to ride, with a feel and sound that place the rider squarely in the chopper domain. It also delivers the same functionality, quality and reliability you would expect from a Honda, and at an affordable price.
