

TRANSALP

Bang up-to-date and chasing new peaks of excitement, the 2010 Transalp begs you to jump aboard and discover new trails and distant horizons. Its 680 cm³ engine is robust and smooth enough for endless fun-filled touring, capably delivering impressive surges of acceleration on the motorway or up steep slopes, even with an extra passenger and a load of travelling gear. A host of Honda Genuine Accessories will help you make the most of every experience. Top boxes, heated hand grips and fog lamps are just some of the optional accessories available to further enhance your motorcycling experience and unleash your spirit of adventure.
