Freedom of the road

Working in partnership with

These specification details do not apply to any particular product which is supplied or offered for sale. Manufacturers reserve the right to vary their specifications, including colours, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. Consult the dealer with whom your order is placed for details of the specifications of any particular product. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor or Dealer, copies of which may be obtained from him on request. This publicity material applies to the UK only Trade Descriptions Act (1968). Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer especially if your selection is dependent upon one of the features advertised.

Printed on Recycled Paper

of the Road

Getting out for a ride with the wind in your face provides one of the greatest feelings of freedom imaginable. Zipping past the cars stuck in city traffic, running quick errands or leisurely taking in the sights further afield, Honda's exciting line-up of scooters combine proven Honda technology, reliability, performance and comfort to bring that exhilarating feeling of riding freedom closer to home than anything you've ever had the pleasure to experience. For a real appreciation of the freedom of the road, go Honda.

SILVER WING

Comprehensive, automotive-like instrument panel provides impressive view of all operating parameters.

Distinctive piggy-back dual headlight projects a wide area of brilliant night-time illumination.

Combined Antilock Brake System provides smoothly assured braking performance in virtually all riding conditions.

Cavernous carrying space under seat provides room to carry two helmets or a briefcase and other large cargo with ease.

Ultimate Luxury

- HISS**
- PGM-FI**
- CBS**
- ABS**

Luxurious, roomy riding comfort for two, breathtaking performance and acceleration, smooth responsive control. Hard to believe that a scooter could ever offer so much, but the remarkable Silver Wing gives you all this and more. For quick trips around town or even journeys to distant destinations, the Silver Wing's mighty 600cc two-cylinder engine and well-balanced chassis carry you, your passenger and a big load of cargo with effortless speed, agility and style. The Silver Wing's well-appointed ABS also gives you the extra confidence and control of Antilock Brakes to complement its responsive Combined Brake System, for the best of all worlds of riding luxury, ease and assurance.

Pantheon

125

Sure-stopping Combined Brake System features 3-piston front disc brake calliper controlled by both front and rear brake levers.

Well-appointed instrument panel features large central speedometer dial and LCD readout of odometer, trip and clock.

Convenient locking fuel filler door permits easy top-ups of the fuel tank without even having to leave your seat.

Capacious cargo space under seat holds a helmet, small briefcase and other daily business necessities with ease.

PGM-FI

CBS

Pleasurable Business

There's no more distinctive scooter on the streets of Europe than the superbly styled Pantheon. Its cosmopolitan sense of purely European form and function stands out from a distance. Its riding ease is second to none, with a look and feel of quality that are more than skin deep. Its advanced, fuel-injected 4-stroke engine delivers strong performance and the lowest emissions in its class, and its confidently responsive Combined Brake System ensures unerring control wherever you ride. When business calls, respond with the pleasurable transport of the incomparable Pantheon.

Dylan 125

Dynamic in Every Way

Responsive and powerful Combined front disc brake operates together with the rear brake for smoothly balanced braking performance.

Spacious under-seat carrying space provides ample room for a helmet or a small briefcase.

CBS

The dynamic Dylan really grabs attention with its sharp and angular form. Its strong, responsive 4-stroke power comes on quickly with a twist of its throttle, while its Combined Braking performance ensures smoothly controlled stops. Built to carry two and a load of gear with comfort and ease, the Dylan injects a thrill of excitement into every ride, whether dodging through commuter traffic or setting out for bigger days of light-hearted riding enjoyment.

SH125

The quiet and powerful liquid-cooled engine's built-in radiator concealed behind a stylish front grille.

CBS

Sleek and elegant, swift and sure, the cosmopolitan SH125 breezes through city traffic with unruffled ease and assurance. Its slim, shapely proportions, comfortable upright riding position and large, light-handling wheels make daily commutes and trips across town quick and enjoyable, while its shapely curves, ample carrying capacity and superb quality of execution increase your delight every time you ride.

A Beauty in its Details

Innova

125

Captivating Enjoyment

The sleek and light-handling Innova gives you a fun and friendly way to enjoy your busy days on the road. Built to carry one or two in comfort, the Innova skips through the city or down to the beach with equal ease. Its 4-stroke 4-speed engine provides ample power and speed, and its spacious under-seat carrying compartment lets you carry what you need for a day of work or play.

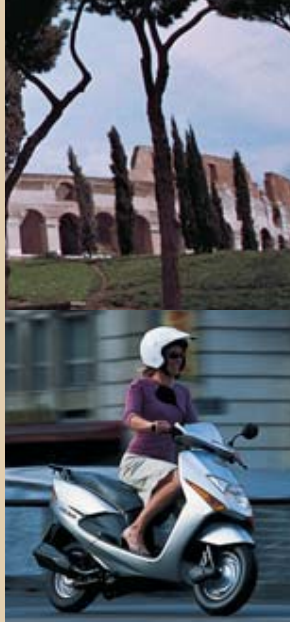

LEAD

100

Fun in the Sun

With trend-setting styling that really catches the eye, the full-bodied Lead makes fast friends wherever it goes. Its comfortable seating and easy reach to the ground ensure confident riding ease for beginners and experts alike. Figure in super-low running costs and reliable operation that's also easy on the environment, and the Lead makes all your trips great fun in the sun.

The Innova's stylish instrument panel features LED gear indicators as well as a large speedometer.

Space under the locking seat carries some light shopping with ease and security.

Attractively designed recessed instrument panel offers easy view of dials. Also features convenient fuel gauge.

Large integrated headlight and distinctive integrated indicators project a modern and highly visible image.

Genuine Honda Accessories

Options
Genuine Honda Accessories

GENUINE ACCESSORIES

Honda Scooters stand out from the crowd, with performance as exciting as their looks. To make your scooter truly yours there is a range of Genuine Honda Accessories available to ensure your scooter suits your style and every need.

To express your individuality and meet your own particular needs, a range of specially designed Genuine Honda Accessories has been researched and stringently tested to the highest standards. And since they're Honda approved, you'll know that they're just as tough and well made as your Honda motorcycle.

Top Box and Pad

Top box lid produced in body colours. Capacious top box can store two full-face helmets and more. Mounts on sturdy bolt-on carrier, featuring locking quick-detach mounting system. Includes top box mat and pad. A sub carrier must be used to fit the top box.

FJS600 SILVER WING | FES125 PANTHEON | SH125

Inner Bag

Practical black nylon bag with expandable capacity from 21-33 litres. Handy front pocket with silver Honda Wing logo, (takes A4 file), adjustable shoulder strap and carrying handle. For use with all 45 litre top boxes.

FJS600 SILVER WING | FES125 PANTHEON | SH125

Windshield

Engineered to complement the scooter's styling and protect the rider from bad weather. Constructed from polycarbonate LEXAN™. 630mm height, and WVTA (Whole Vehicle Type Approval) cleared.

FJS600 SILVER WING

Leg Deflector Set

Side-mounted shields extend the leg shield wind protection range. Brown tinted.

FJS600 SILVER WING

Top Box and Pad

Features colour matched lid and large red decorative reflector effect panel with the integrated Honda logo. Can store one full-face helmet. A special lock system means only one key is needed to fix, remove, open or close the box. Complete with fixing kit and backrest pad with 3D Honda logo. Rear carrier must also be purchased.

SES125 DYLAN

Windshield

Polycarbonate LEXAN™ windshield offering perfect protection against the elements. Specially designed to ensure utmost vehicle stability, limiting vibration. The rubber-mounted stay allows the shield to fall forward on impact and is WVTA (Whole Vehicle Type Approval) cleared.

SES125 DYLAN

Side Stand

Side stand providing optimal stability on variable ground surfaces, easier to manoeuvre than a conventional centre stand.

SES125 DYLAN

U-Lock 120/340

Designed to offer greater security. Complete with tamper-resistant barrel and key. Easily stored under seat.

SES125 DYLAN | SH125
FES125 PANTHEON
FJS600 SILVER WING

Screen & Knuckle Visor

Engineered for the Pantheon, this windshield complements the scooter's styling. And it's constructed of LEXAN™ to resist chipping and cracking. Height is 600mm. WVTA approved. Includes a pair of injected, black polypropylene knuckle visors to protect the hands from the elements.

FES125 PANTHEON

RDS Radio

RDS radio system that automatically changes reception frequencies to seamlessly follow favourite stations across the continent. Radio core is installed under the seat at the rear of the storage compartment and hidden by a cover. Headset kit also available.

FJS600 SILVER WING

Heated Grip Kit

Flexible, adjustable grip heater to warm fingers on cold winter mornings. The grip heater incorporates a plate that heats the underside of the grip. Integrated circuit to protect the battery from drain. Additional parts required for connection. Check with your dealer.

FJS600 SILVER WING | SH125

Leg Deflector Set

Side-mounted shields to extend the leg shield range of wind protection by deflecting the cold away from the rider's feet and legs. Black polyurethane.

FES125 PANTHEON

Top Box 45ltr and Pad

Stores two full-face helmets. Lockable and detachable. To fit top box a rear carrier and sub carrier are required. Shown with blue colour panels.

SH125 | FES125 PANTHEON | FJS600 SILVER WING

Windshield

Polycarbonate LEXAN™ windshield offering perfect protection against the elements, with integrated hand protectors. Specially designed to ensure utmost vehicle stability, limiting vibration. The rubber, mounted stay allows the shield to fall forward on impact and is WVTA (Whole Vehicle Type Approval) cleared.

SH125 | SES125 DYLAN

Top Box 35ltr

Can store one full-face helmet. Features colour matched lid and large red decorative reflector with the integrated Honda logo. Thanks to a special lock system only one key is needed to fix, remove, open or close the box. This top box comes complete with a fixing kit, rear carrier and backrest pad (not shown) with 3D Honda logo. Available in body colours.

SH125

Top Box 35ltr Inner Bag

Black nylon bag with expandable capacity from 15-25 litres. Handy front pocket with Honda Wing logo, (takes A4 file), adjustable shoulder strap and carrying handle.

SH125 | SES125 DYLAN

Seeing and being seen, carrying and being carried. Smoothly blending in with urban traffic for an exciting afternoon with a friend or whizzing out of town to take a break from the commotion in the streets.

Stopping by the store for some last-minute shopping or steering clear of stressing traffic jams early in the morning.

Make the most of every moment, with a fashionable scooter that stands for comfort, style, and carrying capacity, a scooter designed by Honda and accessorised with Genuine Honda Accessories.

Illustrated are a selection of Genuine Honda Accessories. For further details on the full range of Genuine Honda Accessories contact your local Honda dealership, visit www.honda.co.uk or telephone 0845 200 8000.

Please note - Honda reserve the right to vary their specifications, including colours, with or without notice and at such times in such manner as they think fit. Customers are always advised to discuss their specific requirements with the supplying Dealer especially if your selection is dependent upon one of the Genuine Honda Accessories featured.

HISS

Honda Ignition Security System: Only allows the bike to be started by its original encoded keys to effectively protect against theft.

CBS

Combined Brake System: Actuates both front and rear brakes when the rear brake pedal (or lever) is engaged, for a smooth and confident balance of braking control.

PGM-FI

Programmed Fuel Injection: Map-type computerised system maintains strong power and responsive performance in all conditions.

ABS

Antilock Brake System: Smoothly counteracts tyre slip when braking over variable road conditions.

RIDE SAFELY - Read the owners' manual thoroughly. Always wear a helmet and protective clothing. Get to know your machine and its capabilities. Observe other road users' movements. Obey the laws of the road and respect the environment.

PLEASE NOTE - Photographic images of certain models in this catalogue may be shown with optional Honda Genuine Accessories. Please check with your dealer for details. Honda machines sold in your area are those most suited to local conditions. Specifications, appearance and availability may differ depending on markets, and are subject to change without notice. For details, please consult your nearest Honda dealer.
